

# Show and Tell

Please bring your three to six year olds to the new season of Show and Tell with Trish and Mel Enrichment Classes to be held at Faith Preschool in Fairlawn! We will be playing about everything from bats to turkeys to reptiles, too! Every week, we will arrive with a host of props, jokes, songs, and silly shenanigans to bring our featured book to life. Our interactive shows will spark your child's imagination and get them moving! Beginning September 25, we will begin our first 10-week session, with three weekly classes to choose from. We cannot wait to see you there!
